

What is Moodle

Moodle is an open source web application used to create interactive online learning sites. It's probably the best E-Learning tool in the net!

It really does not take a great deal of skill or computer knowledge to use Moodle. With basic web browsing and editing skills, students (and teachers) can use Moodle - instantly!

Before Start

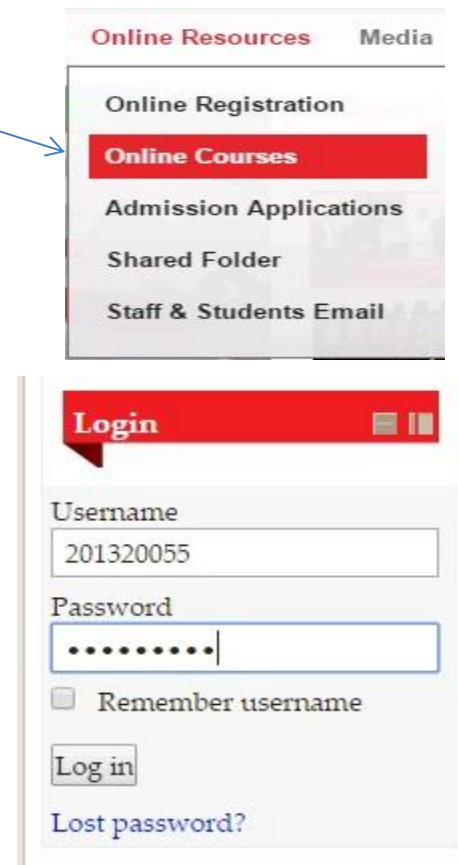

We assume that you are a student you want to access to your account.

If you have not ever used Moodle, you will have to contact [AAU IT Department](#) to get set up.

The screenshot shows the AIN University website dashboard. At the top, there is a navigation bar with links for "AlAin University", "E-Registration", "Academic Calender", and "Message". Below this, the main content area is divided into several sections. On the left, there are three vertical panels: "My Courses" (listing "Leadership and Teamwork" and "Math for Business"), "Navigation" (listing "My home", "Site home", "My profile", and "My courses"), and "Administration" (listing "My profile settings"). The central part of the dashboard features a large graphic with the text "E LEARNING" and "AI IN UNIVERSITY OF SCIENCE AND TECHNOLOGY", accompanied by an image of a laptop with a stack of papers. Below this graphic, there are three icons: a blue book with an "@" symbol labeled "دليل الطالب", a blue rotary phone labeled "دليل الهاتف", and a blue folder labeled "TEACHER" labeled "دليل المدرس". At the bottom left, there is a section titled "Site news".

This is a close-up of the "Navigation" menu from the dashboard. The menu is titled "Navigation" and contains the following items: "My home", "Site home", "My profile", and "My courses". The "Site home" item is circled in red, and a red arrow points to it from the right side of the image.
